And I Knew

When we were there that first time,
When we were there that first time,
I saw your hands...
I saw your hands...
And I knew...
They were my hands.
Yes I knew...
They were my hands.

You looked in my eyes,
You looked in my eyes,
And I saw only your eyes...
And I saw only your eyes...
And I knew...
They were my eyes.
Yes, I knew...
They were my eyes.

And when you spoke your heart,
And when you spoke your heart,
I heard my heart...
I heard my heart...
And I knew...
You were my heart.
Yes, I knew...
You were my heart.

You've been hurt before,
You've been hurt before,
And so have I...
And so have I...
And I know
I don't want to...
Yes, I know
I don't want to.

You make me laugh,
You make me laugh,
I make you laugh...
I make you laugh...
And I know...
You hold me so.
Yes, I know...
You hold me so.

And so I sing this song...
And so I sing this song...
So you will know...
So you will know...
That I love you so.
Yes, I love you so.
