### **I'm Not Falling Down**

Hey, hey, hey, hey  
What did you say when you left me on that day?  
Hey, hey, hey, hey  
Well, did you say that my sunny day was gray,  
And I would pay if I chose to walk away...  
And I would pay if I did not sweetly stay,  
And I would pay, 'cause it has to be that way?  
Someone pays...yes, it's always been that way.

Hey, hey, hey, hey  
Did you turn around and there was no solid ground to be found,  
And the world's still spinning 'round...  
And I'm right here, and I'm not falling down?  
Yeah, I'm right here, and I'm not falling down.  
Yeah, I'm right here, and I'm not falling down.
